

## Motor Neurone Disease Advisor role

---

### **MND Advisor and Support Coordinator Based in Hobart, Tasmania (Part Time)**

**Are you:**

- Committed to deliver the best possible support and advocacy for people living with disability?
- Keen to use your broad knowledge and experience of the disability and aged care sectors?
- Looking for a challenge?

MND Victoria in partnership with MND Tasmania provides information, advice and support service for people living with motor neurone disease (MND) in Tasmania. You will be working collaboratively with our Advisor/Support Coordinator who is based in Launceston.

**We are seeking an experienced health professional to be based in Hobart, Tasmania to:**

- provide advice and support to people living with MND, families, carers and colleagues
- provide support coordination for NDIS participants
- plan, refer and negotiate services with people living with MND
- represent the needs of people with MND with NDIA, Disability Services, My Aged Care, service providers and funded agencies

This is a part-time position, 32 hours per fortnight. Salary packaging available.

For inquiries and a position description contact Jo Whitehouse [jwhitehouse@mnd.asn.au](mailto:jwhitehouse@mnd.asn.au) or by ph on 0402 183 140.

Applications addressing the key selection criteria to Jo Whitehouse via email by **Sunday 14th October**.
